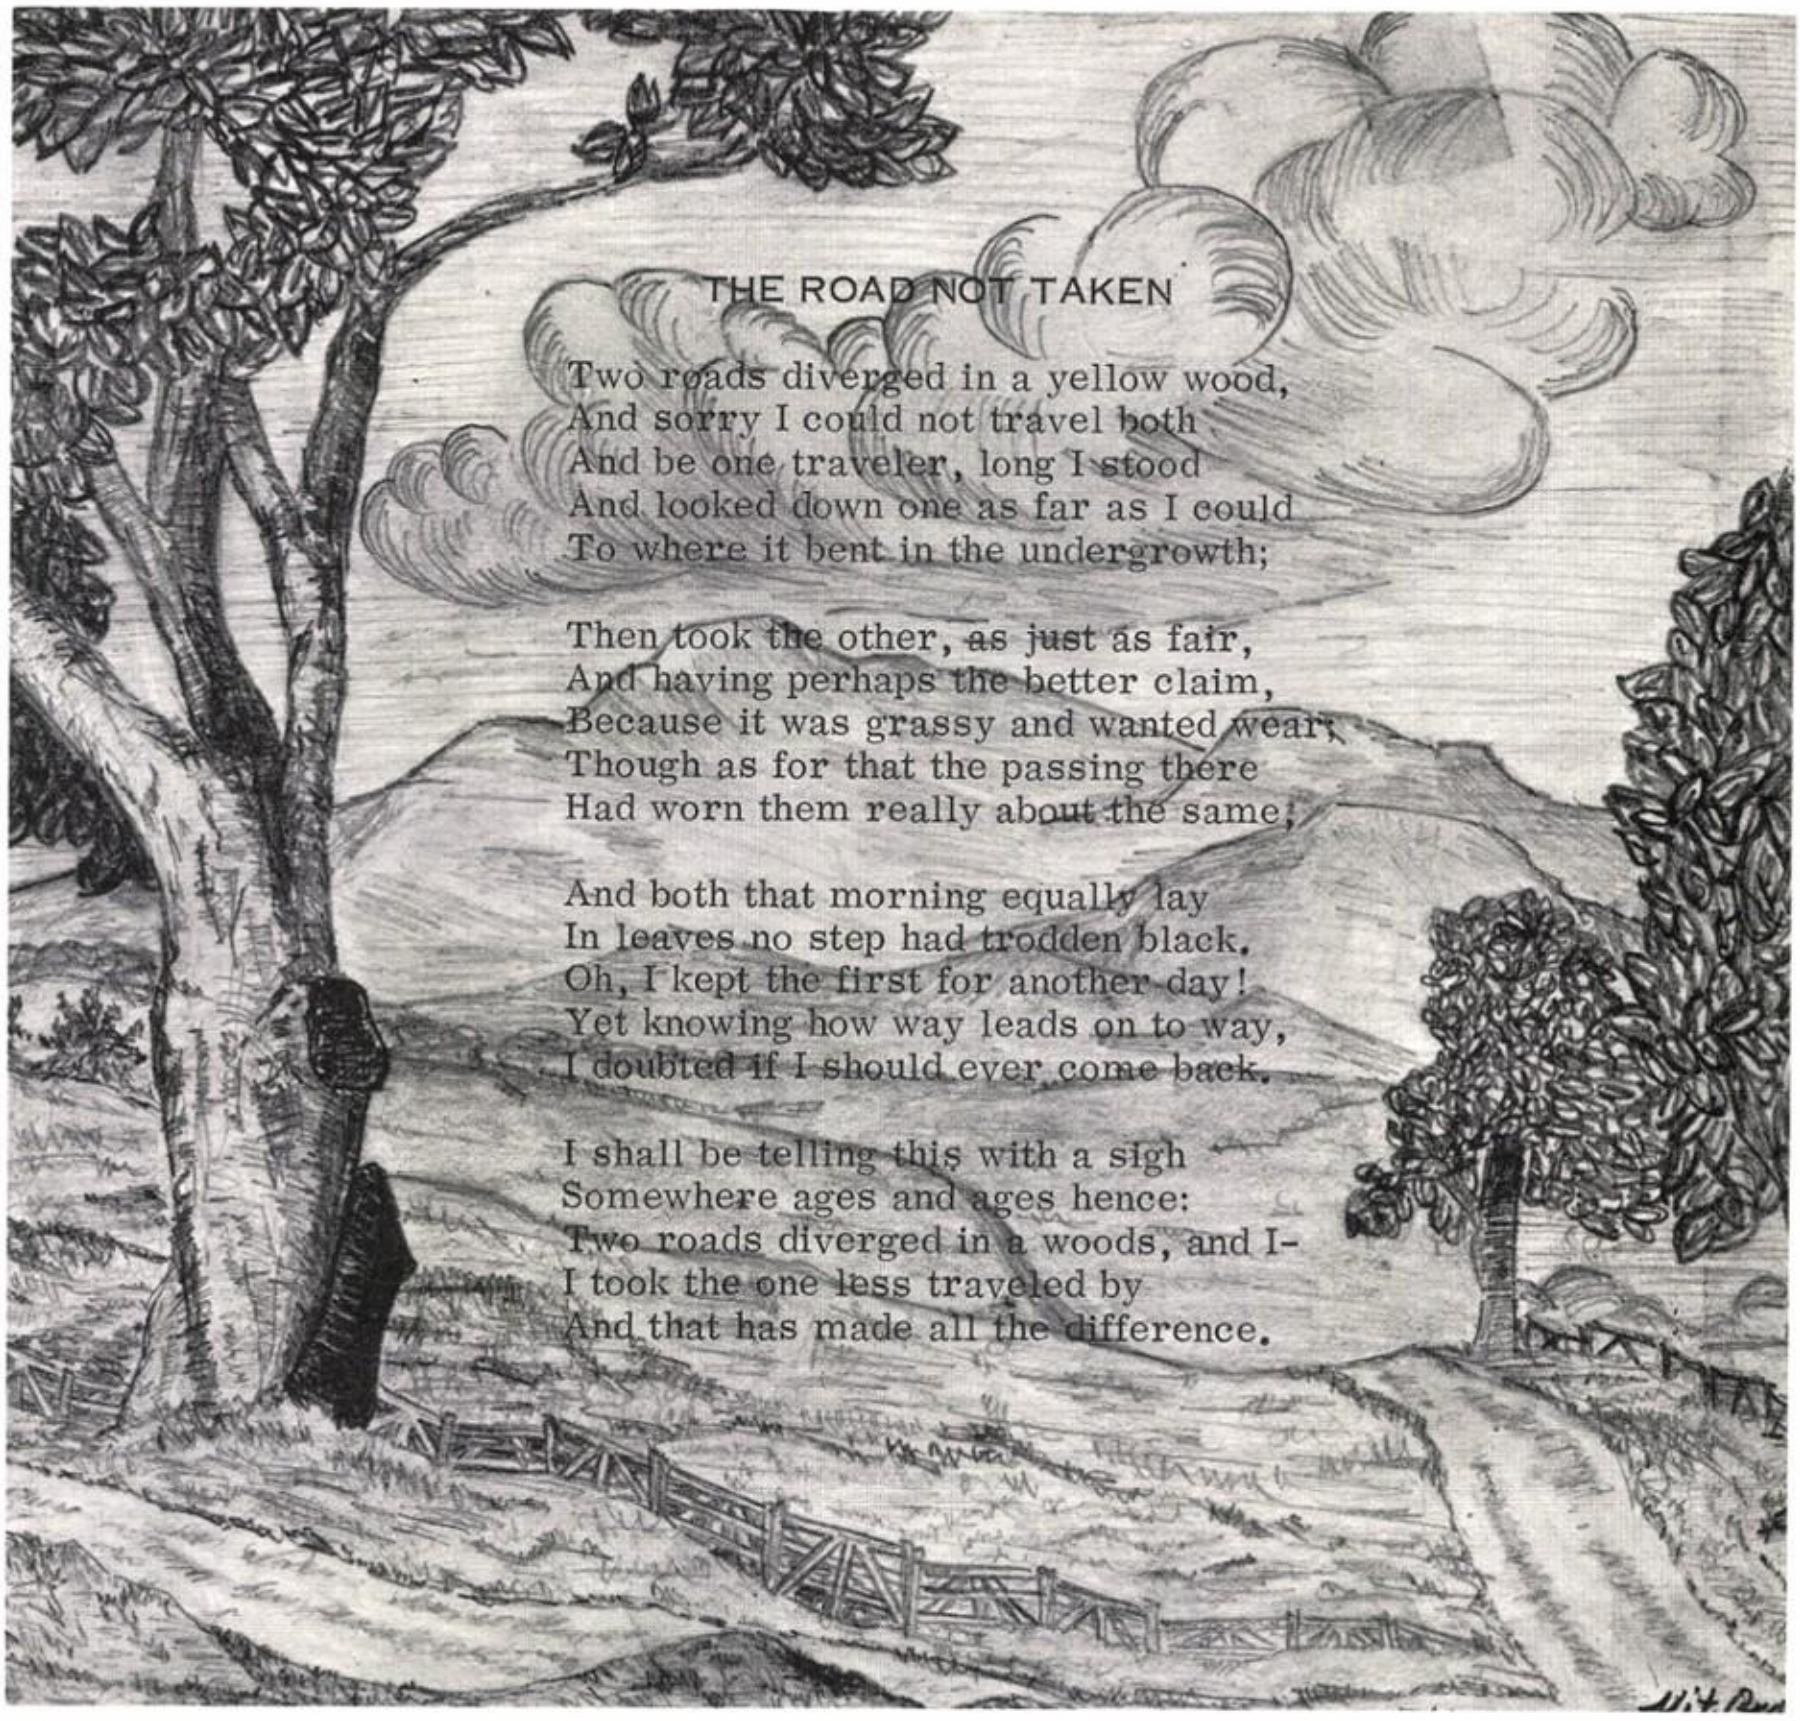
Alma Mater

Hail to the blue and white, in all its
radiant splendor,
Hail to the school we love; our hearts
to thee we render.
Praise and honor, true devotion, each we
give with deep emotion;
Ever of our lives a portion, Alma Mater
Hail!

Dedication



THE ROAD NOT TAKEN
Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;
Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same;
And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.
I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a woods, and I-
I took the one less traveled by
And that has made all the difference.

This yearbook is dedicated to the future-the future of the Class of 1966, and the future of all the classes to follow. May the roads chosen result in a future worthy of our highest ambitions and ideals.

John Robert,

Your the Greatest too, except for Charles is a little ahead of you. You are a really wonderful person. You have a exceptional personality. I have really enjoyed knowing you and having Spanish with you. You have made Spanish much more enjoyable than it would have been if you hadn't been there. I'll let you in on another thing- your real nice-looking but don't let it go to your head. I'll see you on my visits here (I hope.) Lots of luck always. Yours Truly Linda Lou Keathley

Administration

Mr. Ray McNutt
President

The 1965-66 school year has afforded the Conway High School student body, faculty, and administration many things of which we can be proud. Conway High School students have worked hard and diligently in their classes and extra-curricular organizations in order to represent our schools well, and many more plans are being made now for future endeavors and accomplishments.

Conway High School students are fortunate to have the many opportunities offered to them by our own schools, the city of Conway, and the fine colleges of higher learning located in Conway.

Together with these opportunities and the deep loyalty and devotion the students have towards our schools, great things are being done and can be predicted for the finest group of students in Arkansas--THE CONWAY HIGH SCHOOL WAMPUS CATS.

I would also like to express my appreciation to the student body for the fine school spirit and cooperative attitude during this school year. I hope this year has been both pleasant and worthwhile in your academic achievements. Let us work with all of our abilities to make Conway High School the best school in the state. We may then be proud and take pride in our accomplishments.

Library and Study Hall

Miss Freida Cummings
M.A., Librarian

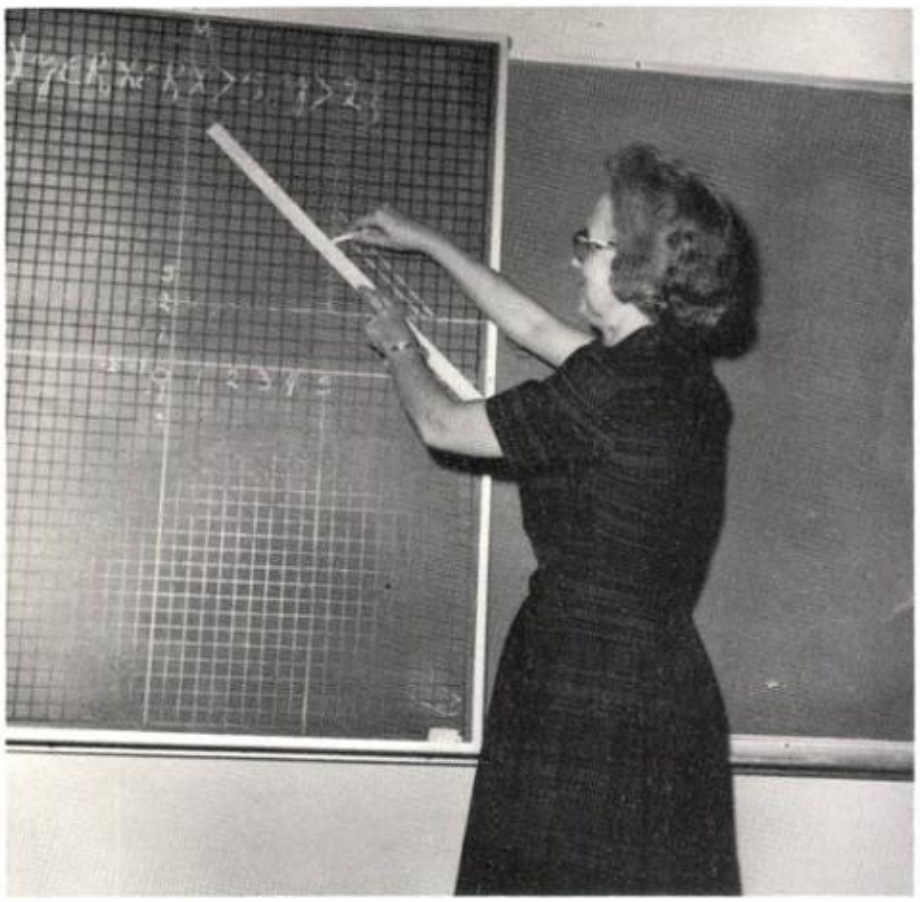
Mathematics

Have you ever noticed that Mrs. Koon keeps talking even after we're out of the room? KATHY



Mrs. Frank Koon

The first period trig class studies their lesson before school?

Science and Psychology

The science department provides the students with excellent labs for use in biology, chemistry, and physics. Biology teaches the life processes of plants, animals, and humans. Chemistry deals with the characteristics of the elements, and physics includes the study of mechanics, heat, light, sound, and electricity.

Journalism

Mrs. E. W. Packard

The Hi-Day activities were rounded out with a dance in the Gymnasium put on by Peppers Club, during which Queen Sue led her court in the annual Grand March.

WHO'S WHO

Each year the annual staff of C.H.S. sponsors a Who's Who Contest to recognize student personalities in various categories. Since no student is allowed to win more than one category, the student body is more widely represented. John,
I've known
you for a long time
and I like you better
all the time. You're a great
guy and I think a lot of you. I
hope we have more classes together next
year but I hope we don't have "Honors English".
I don't think I could take it again! I thought
our first year of high school was pretty good. But I
hope the 2 (I hope that all it is) coming are better. Just think
we'll be juniors next year. Time flies! It seems like just
yesterday we were in Miss Rhodes' class! (ugh).
Good luck in all you do 'cause you deserve it.
Love ya,
Kathy

Cheerleaders hard at work at one of their many practices.

Capt., Margo Gibson

Cheerleaders are chosen in the spring for the next year. Much work and planning go into a smoothly performing team. The group practices during the summer months and five of them attended a cheerleader camp out-of-town. Two sophomores, three juniors, three seniors, and a captain make up the squad. The Wampus Cats have for many years had a feeling of much pride in the performance of their cheerleaders. These girls are second to none in ability, appearance, and loyalty.

Promoting pep, good sportsmanship, and school spirit is the main objective of the Wampusettes. Every Friday this group of thirty-four girls donned new, royal blue, wool uniforms with white Wampus Cats on the backs of the weskits. In addition to getting new uniforms, the Wampusettes had new sponsors, new members who tried out in the Spring of 1965, and new leaders.

The Wampusettes were able to attend all of our football games this year, and they did--rain or shine. During the basketball season the group attended all home games and some of the tournaments. Through the year the Wampusettes performed at various occasions on the field and the court. In victory or in defeat, the Wampus Cats knew the Wampusettes were behind them all the way.

The objectives of the Spanish Club are to learn more about the Spanish customs and to understand Latin American people better. Meetings are held every three weeks.

Highlights of the year were the Christmas party, which was a dinner this year at El Taco Casa, and the annual spring trip to Mexico Chiquito.

In spring the club celebrated Pan American Day by inviting the school to go "South of the Border" fashion wise. The girls were dressed in colorful peasant skirts and blouses, and the boys wore sombreros and serapes.

Peppers Club

Peppers Club is one of the older and more active clubs in Conway High School. It renders a very worth-while service to our school by promoting good sportsmanship and school allegiance.

The main responsibilities of the club are sponsoring Hi-Day activities, the athletic banquet and dance, selling score cards, and decorating the goal posts at all home games.

Persons wishing to become members submit paragraphs to the club stating why they would like to be members. Then the students are voted on by the club, the faculty, and the student body.

Library Club

The Library Club serves chiefly for the benefit of CHS students and faculty. Its members help others locate books and other materials and familiarize themselves with library procedures. Assistants check books out and in, shelve books, and further aid Miss Freida Cummings, librarian, in any way that they can. Annual social highlights are the Christmas party and the spring picnic. The Library Club has been an active charter member of the Arkansas Student Librarians' Association since its organization sixteen years ago, and has had several state officers.

The Conway High School Band under the direction of Mr. Russell Langston has performed with great success for many occasions during the school year. The group attends all home football games and accompanies the team to most out-of-town games. After the marching season, the band concentrates on concert music. The year's work was climaxed with a concert in late spring.

Some activities of the band this year have been their appearance on the initial program featuring music in schools which was on Channel 11 TV and a Christmas Concert presented at the Arkansas Children's Colony.

They Finished 7-3-1

In the final AP poll the Wampus Cats placed eleventh in the state. The Cats lost only to teams that were in the top five in the state, and these losses were close margins. We congratulate the team on such a fine performance. The team had several handicaps: They were inexperienced, they were too light, and they followed an undefeated team. They overcame these handicaps with few exceptions. A big part of the credit goes not only to the team but also to the coaches.

Coach C. J. Robinson
Head Basketball Coach

This season the Conway Wampus Cat were working under the leadership of Coach C. J. Robinson. Mr. Robinson, former Jr. High basketball coach, was transferred to Sr. High School this year. Having worked with most of the players when they were on the Jr. High team, Coach Robinson was well acquainted with the boys and their abilities and therefore he had no trouble in organizing the team.
